**ARCHERY DEER HUNT**

Thank you for your interest in the 2024 City of Canby Deer Control Program. With the assistance of the local Department of Natural Resources (DNR) office, Canby has developed a controlled archery hunt to be conducted in designated areas. A general description of the 2024 program follows:

1. All laws and regulations of the State of Minnesota will be enforced.
2. Must be a currently licensed archery hunter.
3. Hunting will be by Special permit for antlerless only and a total of 20 permits will be issued, hunt number 984.
4. The Hunt will be conducted between September 14, and December 31, 2024
5. You will be able to harvest 2 does within the city limits
6. To assist in collecting the deer population data you are required to submit a hunt data sheet at the end of the season.
7. Hunting will be allowed only in the designated zones.
8. Harvested deer to be registered per DNR regulations. Electronic Licensing Station (ELS) locations will issue a harvest tag.
9. Application form must be in the city office no later than Friday, September 6, 2024, by 12:00 noon
10. Administrative fee of \$5.00 (payable to the City of Canby) is due with the application.
11. This hunt is an either sex hunt. The bonus permits provided through the city are only good for an antlerless deer. To shoot a buck you must use your regular license.
12. The city retains the right to remove any hunter's privileges for violating the established rules.
13. Must respect the property that is being used.
14. The city requests that hunters be as "discrete" as possible so as not to affect the public's daily schedules and routines.
15. The City reserves the right to terminate any and all hunting within one week's notice.
